

**big enough to
play on the
world stage.**

Do you go big or small.....? Yes!

We believe in both. That's why we're a \$35 billion company with the mindset of a start-up. So big idea, small idea, or somewhere in between, here's your chance to share it with us.

Internship in Dairy Technology (m/f)

ID 1505454

Munich, Germany

Your challenges:

- Gain hands-on experience in our state of the art cream and process cheese pilot plants at our Dairy Center of Technology
- After short learning phase, support product development and applied research activities in the area of cream and process cheese, working independently with some guidance from your supervisor.
- Perform technical assessments of Cheese & Dairy products (e.g. quantitative & qualitative), including shelf life and sensorial evaluations
- Contribute to the development of new products and processes utilizing e.g. membrane technology, investigating bacterial fermentations, emulsifiers...
- Working in the chemical-physical laboratory in developing/ adapting analytical methods in dairy research.
- Work together with experienced technical experts and learn about innovative food processing technologies directly from senior researchers.
- Research results evaluation and presentation within the Cheese & Dairy group

For this role you will need to have:

- Studying Food Technology/Science/Engineering, Chemical Engineering, Biotechnology, Biology, Biochemistry, with a strong academic record.
- Team oriented and enthusiastic about working with an international team
- Able to work with high degree of autonomy
- Familiar with statistical data analysis
- Openness, reliability and curiosity
- Good knowledge of working English or German

When you look at the shelves of your local newsagent or supermarket, you'll probably spot quite a few of our delicious brands. Philadelphia, Miracel Whip, Bulls Eye, Sottilette, Dairylea... they're all created by us. Behind these great products, our HR team is dedicated to finding and keeping the best talent around and the most important ingredient in keeping our spirit alive.

Join us and create delicious moments of joy!

Starting date: September 2015 (6 month internship - €1.400/month gross)

Visit our website: www.mondelezinternational.de.

Only candidates (m/f) who are enrolled at university throughout the internship period can be considered for this position.
